Iverson Language Associates Welcomes Visitors to New Site

“Communicate in any language” with Iverson

Iverson Language Associates, Inc. has recently launched its new website. This interactive website features a request a quote form, staff photos and bios, and a voice message from company president Steve Iverson. Developed by Milwaukee-based Ascedia, Inc., the site also includes a media center that showcases articles and press releases published in various trade magazines and newspapers.

“We spent several months working with Ascedia, Inc. to develop a professional and customer-friendly site,” stated Steve Iverson, President, “This new site will enhance our brand awareness and allow us to showcase our full line of language services.”

Iverson Language Associates, Inc., headquartered in Milwaukee, Wisconsin is a leader in translation/localization, interpretation, technical writing and multimedia production. **Iverson** provides translation, desktop publishing and project management to a wide variety of industries such as manufacturing, finance, travel, advertising, high tech and education. For more detailed information, please logon to the **Iverson** website at www.iversonlang.com.
